Public Notice:

INVITATION TO PARTICIPATE - BLACK ECONOMIC EMPOWERMENT (BEE)

South Africa and China signed a protocol to facilitate the export of South African beef to China. The protocol makes for provision for farms where cattle for slaughter will be raised, and all BEE compliant organisations are invited to participate in this opportunity which is open until 17 February 2017.

For more information, interested BEE compliant organisations may contact local state veterinary services. The list is available on the departmental website.
