MINISTER ZOKWANA IMBIZO FOCUS WEEK VISIT TO PHUTHADITJHABA IN THE FREE STATE PROVINCE

The minister of Agriculture, Forestry and Fisheries, Mr Senzeni Zokwana, will visit Witsieshoek in Thabo Mofutsanyana District Municipality on Tuesday, 16 July 2018.

This year, the Tata Mandela and Mama Sisulu Centenary celebration forms a big part of the focus week, under the sub-theme: “Be the legacy” and “A woman of fortitude”. Primarily, the activities will be a platform to engage face-to-face; deliver services; forge mutual partnerships with communities, especial civil-society organisations championing the course of building a better life for all and give credence to the vision of a nation bound by a common destiny, our National Development Plan.

The minister’s visit is part of the National Imbizo Focus Week that will give a platform for communities to conduct a dialogue on the living conditions of farmworkers in the Free State Province.

Details of the visit are as follows:

Date : Tuesday, 17 July 2018
Venue : Phuthaditjhaba Multipurpose Hall
Time : 10:00
