

REQUEST FOR EXPRESSIONS OF INTERESTS

Scientific data evaluation and regulatory risk assessment
for stock remedies, pesticides, animal feed and
fertilizer products

CLOSING DATE: 20 MAY 2022

In South Africa, the Department of Agriculture, Land Reform and Rural Development (DALRRD) regulates fertilizers, animal feeds, pesticides, and stock remedies to ensure that they are effective and that they pose minimal risk to human health and the environment in terms of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act No. 36 of 1947).

The DALRRD is seeking expressions of interests from suitable qualified and experienced individual who will evaluate and/or regulatory risk assess data for the registration of fertilizers, animal feeds, pesticides, and stock remedies.
