1. In this notice any word or phrase to which a meaning has been assigned in the Act and Regulations made thereunder shall have that meaning and, unless the context otherwise indicates-

“authority” means any officer of the Department of Agriculture, Forestry and Fisheries in the national, provincial or local sphere of government;

“land” means any premises in terms of ownership or user and includes planted crops at a place of production, natural resources, ports of entry, buildings, structures and any area within the Republic;

“nursery” means any premises at which plants are sold or grown for sale, and which is registered in terms of the Plant Improvement Act, 1976 (Act No. 53 of 1976), as an establishment as defined in section 1 of the said Act;

“the Act” means the Agricultural Pests Act, 1983 (Act No. 36 of 1983); and

“visually free”, with regard to the occurrence of an insect or a pathogen on a plant, means that-

- (i) the executive officer is unable to visually observe the occurrence of an insect or a pathogen on a plant unless he uses a microscope or magnifying glass; or
- (ii) the executive officer has, without the use of a microscope or magnifying glass, visually observed the characteristic of disease symptoms that are caused by an insect or a pathogen on a plant, but the testing, examination or analysis of that plant in a laboratory has not revealed the occurrence of such insect or pathogen on that plant.

[Amended by R. 1442 of 11 July 1986, R. 1148 of 11 December 2009]

Prohibition relating to the occurrence and removal of certain pathogens and insects

2. (1) No user of land who is the owner or occupier of a nursery shall-
- (a) keep any pathogen specified in Table 1 or any insect specified in Table 2 on the premises of such nursery;
 - (b) keep, plant or cultivate any plant on the premises of such nursery unless such plant is-
 - i. visually free of the pathogens specified in Table 1; and
 - ii. free from the insects and pathogens specified in Table 9, and visually free from the insects specified in Table 2; or”;
 - (c) keep any infectious thing on the premises of such nursery unless such infectious thing is free of the pathogens specified in Table 1 and the insects specified in Table 2.
- (2) No user of land shall remove any plant from any land within the Republic to any other land within the Republic unless such plant is-
- (a) visually free of the pathogens specified in Table 1;
 - (b) free from the insects and pathogens specified in Table 9, and visually free from the insects specified in Table 2.

[Amended by R.1442 of 11 July 1986, R. 83 of 22 January 2001]

- (3) No user of land shall remove any infectious thing from any land within the Republic to any other land within the Republic unless such infectious thing is free of the pathogens specified in Table 1 and the insects specified in Table 2.
- (4) No user of land shall remove any plant or plant product infested or infected, or suspected to be infested or infected, by a prohibited pathogen or insect listed in Table 1, 2 or 9 from any land where the prohibited pathogen or insect listed in Table 1, 2 or 9 occurs or is

suspected to occur: Provided that when there is suspicion of infestation or infection, prohibition of movement can only occur when there is good reason to suspect that a plant or plant product may be infested or infected: Provided further that prohibition of movement can only persist in the absence of evidence that the plant or plant product is free from pests.

- (5) No user of land shall remove any plant or plant product from any area within the Republic demarcated by the authority where a prohibited pathogen or insect listed in Table 1, 2 or 9 occurs, unless the movement is authorized by means of a permit or the plant or plant product is certified by the authority as free from the insect or free from the pathogen, or unless such plant or plant product does not act as a pathway to transmit or spread a prohibited pathogen or insect in Table 1, 2 or 9.”

[Amended by R.1148 of 11 December 2009]

Prohibition relating to the keeping, planting or cultivation of certain plants

3. (1) No user of land shall keep, plant or cultivate any plant of kind a specified in column 1 of Table 3 on any land within the area specified in column 2 of the said Table opposite the name of the kind of plant concerned.
- (2) No user of land shall keep, plant or cultivate any sugar-cane plant (*Saccharum officinarum*) in the Republic without the authorisation of the permit referred to in paragraph 6 (3)(b) of the Act, excluding the varieties indicated in Table 4.

[Amended by R. 18 of 04 January 1991, R.1373 of 05 August 1994]

(3) No user of land shall keep, plant or cultivate any plant of a kind specified in column 1 of Table 5 originating from any land within an area specified in column 2 of the said Table opposite the name of the kind of plant concerned on any land within an area indicated in column 3 of the said table opposite the name of the kind of plant concerned.

[Amended by R. 1518 of 12 July 1985]

Prohibition relating to the removal of certain plants

4. (1) No user of land shall remove any plant of a kind specified in column 1 of Table 5 from any land within the area specified in column 2 of the said Table opposite the name of the kind of plant concerned to any land within the area specified in column 3 of the said Table opposite the name of the kind of plant concerned.

(2) No user of land shall remove any plant of a kind specified in column 1 of Table 6 from any land within the area specified in column 2 of the said Table opposite the name of the kind of plant concerned to any land within the area specified in column 3 of the said Table opposite the name of the kind of plant concerned.

[Amended by R. 18 of 4 January 1991]

(3) No user of land shall remove any plant infested with an insect specified in Table 8 from the land on which such infested plant occurs to any other land in the Republic.

[Amended by R. 1518 of 12 July 1985]

Exemption from a prohibition

4A. (1) The executive officer may, by means of a permit, exempt a user of a land from a prohibition referred to in:

(a) paragraph 3(2), 3(3), 4(1), if he is satisfied that the necessary measures have been taken for the cleansing of plants from insects or pathogens; and

(b) paragraph 4(2), if he is satisfied that the plant material for which the permit is required is only genetic source material.

(2) When the executive officer conducts an investigation in connection with an application for a permit, the fees specified in Table 10 shall be payable in respect thereof.

[Amended by R. 1442 of 11 July 1986, R. 18 of 04 January 1991, R. 457 of 20 May 2005, R. 563 of June 2005]

Prohibition relating to keeping, planting or cultivation of certain controlled goods

5A. No person shall keep, plant, cultivate or remove any controlled goods imported or removed in contravention of the provisions of section 3 of the Act or in contravention of a condition set out in the permit referred to in section 3 (1) of the Act, or any controlled goods obtained or derived therefrom, or descended or produced by, from or by means thereof, whatever the connection or degree of descent or relationship, in the Republic.

[Amended by R. 1518 of 12 July 1985, R. 451 of 11 March 1994]

5B. A person in possession of any controlled goods of which the importation may not be authorised under section 3(6) of the Act shall-

- (a) not keep in his possession or distribute such goods; and
- (b) immediately destroy such goods, or otherwise dispose thereof in the manner determined by the Executive Officer.

[Amended by R. 451 of 11 March 1994]

Application for permits

6. (1) An application for a permit which may be issued by the executive officer under a control measure in order to exempt a user of land from the prohibition or obligation contained in such control measure shall be made on a form which is obtainable from the executive officer for this purpose.

(2) Such application form shall-

- (a) be completed by the user of land requiring such permit;
- (b) after having been thus completed, be submitted to the executive officer; and
- (c) be thus submitted so as to reach the executive officer at least 30 days prior to the date on which such permit will be required.

“Prohibition relating to the packing or re-packing of fruits

7. (1) No person shall pack or re-pack fruit from a plant of a kind specified in column 1 of Table 11 originating from any land within an area specified in column 2 of the said Table opposite the name of the kind of plant concerned in any facility within an area indicated in column 3 of the said Table opposite the name of the kind of plant concerned.

(2) The executive officer may by means of a permit exempt a person from a prohibition referred to in paragraph 7 (1) if he is satisfied that the necessary measures have been taken to ensure that the fruit is clean of any pest.

(3) The fees specified in Table 10 is payable in respect of an investigation in connection with an application for a permit mentioned in paragraph 7 (2).”

[Amended by R. 831 of 21 June 2002]

Compulsory notification

8. Every user of land within the Republic shall report to the authority the occurrence or suspected occurrence of prohibited insects and pathogens listed in Table 9.
