FOR IMMEDIATE RELEASE

29 January 2016

AVAILABILITY OF THE SOUTH AFRICAN REVENUE SERVICES (SARS) AND THE SOUTH AFRICAN POLICE SERVICES (SAPS) DURING THE RECEIPTING OF APPLICATION FORMS FOR THE FISHING RIGHTS ALLOCATION PROCESS 2015/16 (“FRAP 2015/16”)

The Department of Agriculture, Forestry and Fisheries (“the Department”) has embarked on a distribution process through-out the four (4) Coastal and Inland Provinces to hand-out application forms and sector specific policies on the following sectors: Abalone, Hake Inshore Trawl, Horse Mackerel, Kwazulu-Natal Sardine Beach-Seine, Large Pelagics (Tuna and Swordfish Longline), Netfish, Patagonian Toothfish, Seaweed, West Coast Rock Lobster (Nearshore) and West Coast Rock Lobster (Offshore) fishing sectors as well as the Fish Processing Establishment sector.

The Department will now commence with FRAP 2015/16 receipting process as from 01 February 2016 until 12 February 2016. During the receipting process, prospective applicants wishing to get assistance from South African Revenue Services (SARS) for Tax related issues, including receiving assistance for certification of documents from South African Police Service (SAPS), may visit FRAP 2015/16 receipting centres. Unfortunately, not all receipting centres will have SARS officials. In the areas where SARS has not been able to deploy officials during receipting process, applicants may have to approach SARS nearest offices or call the SARS Call Centre at 0800-007-277 (toll-free) for assistance.

Please note SARS officials may not be able to process **new** requests for Tax Clearance Certificates (TCC) at these venues. In such cases, SARS will only prepare paperwork and process new requests for TCC’s back at their offices. It is advisable that applicants prepare their tax documents well in advance as some company tax issues may be complex to be resolved within the limited period of receipting.
