Further Information

- Application and proof of payment **MUST** be send together.
- Applications can be faxed, emailed, posted or brought in personally (not all 4 as it would cause unnecessary confusion)
- Please note that the brandmark section email address for applications has changed to a permanent email animalid@dalrrd.gov.za **DO NOT SEND IT TO ANY OTHER EMAIL**
- **Please note:** it takes 30 work days (under normal circumstances) inside the Department to finalize. After the certificate was finalized it will be posted back to you (the mark will be emailed, not the certificate) (if no email was provided **on the form** in a neat and readable manner it will only be posted and it will not be emailed at a later stage). And we do not know how long the post take as the post office is not part of our section.
- We work according to a very strict **first come first serve** principle **NO EXCEPTIONS WILL BE MADE.**
- Equipment is sold by your local Kooperasie. (for example BKB)
- As soon as certificate has been received you must mark your animals immediately.
- If you make an enquiry about your Animal Identification mark please use your identity number as a reference unless u have applied under a company or trust, then please use the name of the company and the company number.
- **Enquiries without the above information will not be attended too.**
- If no certificate was received by u after 3 Months, please enquire if u fail to do so you will have to re-apply.
